“ What can you say about, Aunt Antoinette....she was fun, loving, caring. She was the cutest aunt ever! She helped me so much with caring for my mom for many years when I couldn't be in town and would always call me if I needed to know something or that I needed to come home. Aunt Antoinette always referred to my husband, Bruce, as “ my handsome husband”. She definitely meant a lot to me and always will. She will be missed and loved by all of us. But, I know that she is resting up so she can play “Liverpool” with all of her sisters! Love you, Aunt Antoinette.... your niece Donna and my “handsome husband” xoxoxo
