“ Hello to John's family,

We are next door neighbors in Erie Village. We were so saddened to hear of John's passing. He and Nancy were lovely people and we enjoyed every interaction we had with them. We loved John's nature and especially his sense of humor. We have missed him since he and Nancy moved and we still think of them very often. We send our most sincere sympathies to you and trust that John will continue to live in your memories and your lives day to day.

With our best regards, John and Donna Favalo

“ Dear Nancy and family,

As a former healthcare provider for John I was able to see what an amazing husband, father, grandfather, brother, uncle, and friend he was to all. He spoke of his family continuously and was obviously very proud. His love for his country reflected in the stories he told me. He even educated me on how to use these "smart" phones. He was a force to be reckoned with! I know you will all miss him and you are in my thoughts and prayers at this time. I hope that the love and memories of John will bring you joy and laughter in the days and years to come. Sending you all sincere condolences.
