“ My condolences to all of Lucille's family. I will miss our visits together sharing memories of our families, books we have read or are reading, praying together, and sharing our spiritual thoughts.

She loved her family. She would often say how blessed she was “ I am surrounded in love and caring” by my family.

You are all in my thoughts and prayers. God Bless you all. Barbara Hadley

“ I remember the ever-kind Mrs. Cosentino--working at Our Lady of Solace...when her son Tommy--amid a group of "guys" in elementary school--who've stayed in touch years since--was in my classes throughout elementary, middle and high school. I just remember her as helpful and relaxed and ready always to chat with us (i.e., a bunch of knuckle-head little guys).... In my prayers, she is. East Ave., the "neighborhood," the "Solace Sabers," and all she touched are better today: because of Mrs. Cosentino. - Eddie Downes
