

Mildred "Millie" A. Cornue

October 20, 1932 - February 13, 2021

Mildred "Millie" or "Monie" Cornue passed away on Saturday, February 13, 2021. She was born in Pompey NY, to David and Irma Jones. For many years Millie and her husband of 46 years Ralph, lived in Tully, NY raising their 2 daughters; Donna and Ginny. They moved to Liverpool in 1968 and then settled in Lyncourt in 1973. One of Millie's greatest achievements, that we were all so proud of, is that she returned to school in her 40's to get her GED. This was completed while continuing to work full time at Marine Midland Bank. She retired from Marine Midland after 35 years of service as a bank officer, training many new employees and auditing branch banks throughout central New York.

After her retirement Millie volunteered at Crouse Hospital, often treating the volunteer valet parking attendants to donuts. Millie's greatest joy was spending time with her family, especially at holiday time. She was famous for her chip "dip" and her dessert "Death by Chocolate", that she brought to every celebration. We are still looking for someone to duplicate these two delicious delights. She even treated the workers at Heritage Lincoln Mercury to her Death by Chocolate when she had her car serviced.

For many years Ralph and Millie cruised to Bermuda and the Bahamas. They also spent time during the winter in Myrtle Beach making many new friends.

Millie's last residence was Camillus Ridge Terrace which became her home. She made many new friends there. We want to give our thanks to all the caregivers at Camillus Ridge Terrace but a very special thanks to: Kathy, Amy and Deb. Mom loved you all. You became part of our family and we give you all our heartfelt thanks.

Millie is survived by her daughter, Ginger, "Ginny" Price, (Frank) of Syracuse, NY; sister, Beatrice Schrader, (Johnny), of Cortland, NY; son-in-law, Bill Fox of Tully, NY; seven grandchildren, Elizabeth Maddestra, of Scottsdale, AZ, Belinda Casolare (Walter) of Otisco, NY, Jeralyn Baca of Otisco, NY, Jessica Forman (Peter) of Brooklyn, NY, Casey Price (Mary Ellen) of Syracuse, NY, Andrew Price (Jacklyn) of Silver Spring, MD, Shannon Kane (Daniel) of Oswego, NY; 16 great-grandchildren and 2 great-great grandchildren.

Millie was always proud to say she was the first of 5 generations.

Millie was predeceased by her husband of 46 years, Ralph; daughter, Donna Fox; her parents, David and Irma Jones; brother, Donald Jones; sisters, Dorothy Brillanti and Barbara Bush; and her grandson-in-law, Tommy Baca.

“ Dear Ginni, Frank & family,

My heart filled with sadness when I read that your mom had passed away. We worked together, I was the secretary in the Auditing Dept. at MMBank. Your mom became like a second mother to me. Always with a smile, she was the kindest, gentlest soul that has ever touched my life! On one of their Bermuda trips, your mom and dad brought back a ceramic bird, as a shower gift for my upcoming wedding. I STILL have that gift. I used to see your dad at the Hardware Store, always with a smile. Whenever I go there, he still pops into my head! I remember some of those yummy desserts, but the one I have is for her Raison Cookies!! Ginni, I met you at your Lyncourt Home and I believe you and Frank, just starting dating. Millie often spoke of her girls with great pride and Ralph, well, he was the love of her life!! I left the bank after 4 years....and lost touch...but Millie (Ralph) will always, always have a special place in my heart!! May beautiful memories bring you peace! My deepest sympathies for your loss.

Hugs and Prayers,
Jean (Bell) Scharoun

“ I met Millie when I worked at Marine Midland Bank on Warren Street in the late '60's,. She was a very sweet lady who offered advice to me as a newlywed. I became a stay at home mom a few years later and lost track of her, often wondering about her, but having no way to contact her. I was happy to watch the streaming of her service and see her beautiful family. I'm pleased to hear that she had a full life, filled with many people who loved her, including her caretakers at Camillus Ridge Terrace.

“ So many wonderful memories. My first trip to a bowling alley, ride in a small plane or helicopter at Hancock, the club house on Onondaga St, the piano in the hallway (I don't know why I remember this), advice to me as a newlywed, family reunions, all good. Miss you Aunt Monie.

“ I met Millie through Marine Midland Bank when we got a home line of credit back in the 1990s. When we discovered that we both lived on the same street in Lyncourt, just a block apart, we would say hello on our walks. She was a super nice lady. My condolences.
