“ I have known Rosalie for many years through Red Hats and our local AARP. I first met Rosalie when I worked for Coach USA and her church group did many trips with us. I've always known her to be a soft spoken, kind and caring person. She will be missed!

“ I have known Rosalie for almost 70 years. She was always strong and loyal and reverent. We went our own ways for a while but I recently connected with her and was looking forward to spending a lot more time together. I will miss her terribly.

“ We at AARP, {local} Onondaga Chapter 243 are sad to learn of Rosalie's passing. She always greeted all members at our meetings with a big smile and a warm hello! Additionally, she worked diligently to keep our membership records updated and was always concerned about us. We will miss her greaatly!!

“ I am so grateful to have had a special life long friendship with Rosalie. Her infectious marvelousness was a joy to experience. I will cherish many memories from our visits together. Her generous spirit lives on and keeps giving, even in her passing. Much love to Debbie, Patty and the family during this time.

“ Whenever the siblings got together to celebrate a birthday I would usually spend the night before with Rosalie. She would always prepare dinner for us, then we would sit around either reading a book or watching TV. Get up in the morning to attend Mass, have breakfast and then wait for time to go to lunch. She would never let me take her to dinner or breakfast, insisted on making the meal. I LOVED my sister very much and will miss her tremendously but I believe she is with GOD now.

“ Rosalie was full of spice and was such a beautiful soul to know. I was proud as her nurse to try and make here last months as peaceful and pain free as possible. She is for certain in heaven with her Lord and Savior.
