Comments

“ To the family of Virginia Mulch LaRochelle,

I am so sorry to read of my cousin's obituary, even though I've been out of touch for years. My husband Dom and I are living in Fl. Virge's dad, Frank, and my father, Rocky, were brothers. When we were kids, our families used to get together often and then I did know my cousins. Unfortunately, so many years have passed and we seldom see each other. I'm sorry that she was ill, that I never met her children, stepchildren or grandchildren, but for the sake of history, I thought the families may want to know that there are cousins out there.

May the angels greet her in paradise and may she have eternal rest.

Sincerely,

Marlene Fioramonti Mercurio and Dom Mercurio
